

## Hazen Apple

*Malus 'Hazen'*

### Description

---

('Duchess' x 'Starking Delicious') North Dakota, 1980. Fruit large and dark red. Flesh green-yellow, juicy. Flavor is sweet but mild, pleasant for eating, cooking, and as a dessert apple. An annual bearer. A natural semi-dwarf tree growing to about 10 to 15 feet in height. Short storage life. Hardy variety. Does very well without spraying.
